DESCRIPTION

This individually designed detached family house occupies an enviable position within one of the most highly regarded locations of North Cheshire. Broadway is an exclusive private road renowned for the quality and design of exceptional homes both contemporary and traditional and in each case of substantial proportions. In recent years several properties in the vicinity have been re-developed and the grounds of No. 5 are ideal for this purpose. Although we have not undertaken a measured survey we understand the site area extends to approximately 0.7 of an acre and therefore presents an outstanding opportunity to acquire a site with possibly unrivalled potential.

The existing accommodation exceeds 6,000 sq ft and is spacious throughout with three excellent reception rooms and a generously proportioned breakfast kitchen being positioned on the ground floor. There is also a garden room, utility room and cloakroom/WC and various outbuildings including a laundry room accessed from the rear porch. At first floor level the superb primary suite comprises double bedroom with dressing area, adjoining dressing room and bathroom, in addition to three further bedrooms, a family bathroom and WC. The second floor has been replanned to create three bedrooms, a shower room and WC.

Externally there is a substantial detached dwelling planned as a creative art studio with a naturally light and spacious main room, adjacent kitchen and shower room/WC. There is also a mezzanine level and attached greenhouse.

Broadway is well placed for access to the surrounding network of motorways and Manchester International Airport together with the village of Hale. Less than two miles to the west is the comprehensive shopping centre of Altrincham with its highly popular Market Hall and Metrolink station which provides a commuter service into Manchester. The property also lies within the catchment area of highly regarded primary and secondary schools.

In conclusion, a well cared for family home set within a premier location and in single ownership for over 60 years. A rare opportunity to consider either re-modelling or re-development, subject to obtaining the relevant approval.
