DESCRIPTION

This modern detached family house is positioned at the head of a quiet cul de sac and has been substantially extended and remodelled by the current owners. Designed with attractive partially rendered elevations complemented by contrasting window frames, the property includes large areas of glazing to create a naturally light interior with the benefit of gas fired central heating and double glazing throughout.

The landscaped rear gardens are laid mainly to lawn and great care has been taken to create a high degree of privacy through the use of a variety of mature trees and shrubs. In addition, the remarkable composite decked seating area is ideal for entertaining during the summer months and importantly there is a south westerly aspect to enjoy sunshine throughout the day and into the evening.

The superbly presented accommodation is approached beyond a spacious entrance hall with Karndean flooring which provides access to both a modern cloakroom/WC and useful utility room. Positioned toward the front an elegant sitting room leads onto a formal dining room with French windows opening onto the aforementioned decked seated area. The adjacent kitchen is fitted with contemporary units and there is ample space for a dining suite with the adjoining dual aspect living room also opening onto the decked seating area through bi-folding windows. Completing the ground floor is a well proportioned family room which provides flexible living space and may be used as an office proving invaluable for those who choose to work from home.

At first floor level the excellent primary suite comprises generous double bedroom with fitted/built-in furniture and well appointed fully tiled shower room/WC. Three further double bedrooms and a generous single bedroom are served by the family bathroom with white suite and chrome fittings.

Externally at the front a wide block paved driveway provides ample off road parking and there is provision for EV charging.

With its convenient location and revitalised village centre, Hale Barns remains hugely desirable and sought after as a residential location. Only 12 miles from Manchester's vibrant city centre and minutes from the M56, Hale Barns could not be better placed. The location offers easy access to Manchester International Airport as well as Hale train station and the Metrolink station in Altrincham.
