POSTCODE: WA15 0SL

DESCRIPTION

This individually designed detached house features attractive rendered elevations with contrasting composite cladding and includes large areas of glazing to create a naturally light interior. The current owners have remodelled, refurbished and extended the original dwelling to establish an outstanding family home which needs to be seen to be appreciated.

The ground floor is largely laid out for open plan living but split into distinctive areas. The centre piece is a stunning contemporary fitted kitchen with adjoining utility room and an adjacent dining area which opens onto the paved rear terrace through wide sliding windows. Set beneath a remarkable lantern light there is also a spacious seating area with sliding windows which again lead onto the rear gardens. In addition to the living/dining kitchen, the separate sitting room is generously proportioned and features the focal point of an open fireplace with natural wood mantel. The study, whilst providing flexible accommodation, may prove invaluable for those who choose to work from home and a cloakroom/WC is positioned off the wide entrance hall.

At first floor level the primary bedroom benefits from a connected dressing room and sumptuous en suite shower room/WC. There is a further double bedroom with superbly appointed en suite facilities and two additional double bedrooms are served by the luxurious family bathroom/WC complete with freestanding bath and separate shower enclosure.

Gas fired central heating has been installed together with a pressurised hot water system, plumbed underfloor heating to the open plan living space and PVCu double glazing throughout.

The beautifully landscaped gardens are certainly a feature and comprise stone paved terrace which is ideal for entertaining during the summer months, tiered lawns and mature borders with a fence perimeter. Externally ample off road parking is available within the driveway and there is provision for EV charging.

With its convenient location and revitalised village centre, Hale Barns remains hugely desirable and popular as a residential location. Only 12 miles from Manchester's vibrant city centre and minutes from the M56, Hale Barns could not be better placed. The location offers easy access to Manchester International Airport as well as Hale train station and the Metrolink station in Altrincham. The property also lies within the catchment area of highly regarded primary and secondary schools.
