DESCRIPTION

This modern semi detached town house lies within the heart of the conservation area and The Downs has long been one of the most sought after locations, not least because of the attractive tree lined setting. In addition the shopping centre of Altrincham is approximately ¼ mile distance with its highly popular Market Hall which contains a variety of establishments including small independent retailers and informal dining options. The Metrolink station provides a commuter service into Manchester and the area is well placed for the surrounding network of motorways. Equally, just a little further is the fashionable village of Hale with its range of restaurants, bars and individual shops. Nearby is the exceptional Altrincham Grammar School for girls with Altrincham Grammar School for boys, Loretto Convent and St Ambrose being other highly regarded educational institutions in the locality, as are the primary and preparatory schools.

The accommodation is superbly presented and well proportioned throughout with the benefit of gas fired central heating and PVCu double glazing. Arranged over three floors and approached beyond a welcoming entrance hall the dining kitchen is fitted with modern high gloss white units complemented by polished granite work surfaces and matching breakfast bar alongside a range of integrated appliances. In addition, there is fitted seating to the dining area and French windows open onto the stone paved rear terrace which is ideal for entertaining during the summer months. The adjacent media room provides ample space for a flat screen television set within contemporary units and provides access to the useful utility room. Completing the ground floor is a well appointed cloakroom/WC.

At first floor level the elegant sitting room features a wide oriel bay window creating a naturally light reception room and the excellent primary suite comprises double bedroom with fitted furniture and sumptuous en suite shower room/WC.

The upper floor includes two spacious double bedrooms with built-in wardrobes and a further double bedroom with commanding views toward the city of Manchester framed by matures trees and the historic architecture of the conservation area. Furthermore, there is a luxurious family bathroom with white suite and matt black fittings.

Externally there is off road parking and the private rear gardens have the added advantage of a south westerly aspect to enjoy the sunshine throughout the day and into the evening. Exterior lighting has also been installed together with outdoor overhead heating.
