## DESCRIPTION

Lansdowne Road forms part of a popular residential location positioned approximately half a mile distance from the shopping centre of Altrincham with its highly popular Market Hall which contains a variety of establishments including small independent retailers and informal dining options. The Metrolink station provides a commuter service into Manchester and the area is well placed for the surrounding network of motorways. The local area is highly sought after being within the catchment of highly regarded primary and secondary schools and, in addition, three hundred and fifty yards to the south west is John Leigh Park with tennis courts and recreation areas for all age groups.

This traditional bay fronted semi detached family house occupies a sought after corner plot and has been extended over the years to create superbly proportioned accommodation with the benefit of gas fired central heating and PVCu double glazing.

The well presented interior is approached beyond a woodgrain effect composite front door and the entrance hall has the added advantage of a cloakroom/WC to one side. Positioned at the front there is an excellent sitting room with feature fireplace, whilst toward the rear a spacious dining room opens onto the paved rear terrace which is ideal for entertaining during the summer months. The adjacent breakfast kitchen is fitted with matching units and a full range of integrated appliances and also provides access to the surrounding gardens.

At first floor level there are two double bedrooms both with fitted wardrobes and a single bedroom with fitted furniture. The shower room and separate WC are fitted with white/chrome sanitary-ware complemented by Amtico luxury vinyl flooring.

Externally off road parking is available within the driveway and detached garage and the landscaped gardens are laid to lawn alongside a variety of mature shrubs and trees all of which combines to create an attractive setting. Importantly the aforementioned paved rear terrace has a westerly aspect to enjoy the sunshine throughout the afternoon and into the evening.
