If you're dreaming of the true essence of rural Mallorca... this is the home for you!

This traditional stone country house of approx. 177 m² retains all the rustic charm of a bygone era and offers outstanding potential to create your dream retreat.

The main house features a cosy living room, a character-filled kitchen with fireplace, a bathroom, and two bedrooms distributed over two floors.

At the rear of the property, you'll find an additional building of approx. 29 m² and a spacious garage of approx. 53 m².

Set on a generous garden plot of approx. 1,605 m², there is ample space to build a swimming pool. With a south-facing orientation, the property enjoys sunshine all year round — perfect for Mediterranean outdoor living.

This is a blank canvas awaiting a sensitive renovation to transform it into a stunning home that captures the essence of Mallorca's Tramuntana lifestyle.
