DESCRIPTION:

We have constructed 11 hybrid 2 storey industrial units. The units are completely adaptable for a wide range of uses. From trades, offices, hair and beauty, food manufacturing - whatever your needs, we can accommodate.

Each 1,550sq. ft. unit comes complete with a WC, kitchenette, electric roller shutter, BT connection, 3-phase electricity and water, ensuring a hassle-free and efficient work environment from day one.

The ground floor warehouse is perfect for storage whilst the load bearing first floor can be customised into limitless configurations suitable for any business.

SOLAR:

Every unit is fitted with its personal solar panel system, ensuring significant cost savings while granting you access to renewable energy right at your fingertips.

THE DEVELOPMENT:

Beyond the generous specification of the industrial units, Mandale Park NE15 takes pride in providing top-notch amenities and facilities for its tenants. Expect features such as 24 hour security systems, ample free parking spaces and well-maintained common areas. The aim is to create an environment where businesses can focus on what they do best in a location they love.

HISTORY:

Our new business park sits on a development steeped in a rich history dating back to the industrial age. Opened in 1787, Lemington Glass Works is an iconic local site featuring one of only four surviving glass making cone buildings in the country.

The bulk of the site was demolished in 1997 with the cone being the only remaining structure. Under our new ownership, we have restored this unique development back into a busy hive of workspaces, bringing jobs and businesses back to Lemington.

TERMS:

Available by way of a new full repairing and insuring lease with the enclosed cost shown incorporated.

SERVICES:

The properties will have solar, 3 phase electric, water and BT. Each service is individually metered so you're in control of your own consumption.

VAT:

All figures quoted are exclusive of VAT which will be applied.

EPC:

To be provided upon completion of each unit.
