A CITY HOME IN A HIGHLY COVETED AREA

The third-floor flat is reached via a secure entry system and a shared stairwell, the front door opening into an entrance hall that offers a warm welcome and a lovely introduction.

FASHIONABLE, SPACIOUS

and bathed in light

Decorated in on-trend grey and with white detailing, the living room has a stylish aesthetic that is both modern and sympathetic to the character of the building. Elegant cornice work nods to the building's period heritage, whilst a plush carpet ensures maximum underfoot comfort. The room is spacious enough for both lounge and dining furniture as well, with a beautiful feature fireplace forming an ideal focal point for the arrangement of the space. East-facing sash windows also bring lots of natural light into the room, adding to the airy ambience.

THE KITCHEN

Excellent storage and workspace

The kitchen is openly accessed from the living room via a broad archway, which helps zone the two spaces whilst creating a sociable flow of accommodation. It features a generous range of timber-toned cabinets at base and wall level, with a central line of white splashback tiles above downlit worksurfaces in stone effect. It is a popular and enduring look which comes complete with an integrated oven, gas hob, and concealed extractor (alongside space for additional freestanding appliances).

TWO BEDROOMS

with attractive décor

Set on opposite sides of the home, the two double bedrooms are both well-proportioned and brightly illuminated by twin sash windows. The rooms also echo the style of the living area, with the fashionable décor enhancing a relaxed environment – perfect for a great night's sleep. The principal bedroom has the slightly larger footprint that catches the morning, whilst the second bedroom has a beneficial west-facing aspect.

A bright three-piece

BATHROOM

The bathroom continues the neutral decoration as well, adding a wood-style floor for ease of maintenance. It is fitted with a white three-piece suite, which includes a pedestal washbasin, a toilet, and a bath with an overhead shower.

For year-round comfort and a flood of natural light, the property has gas central heating and traditional sash and case windows.

CLOSE TO BELOVED GREEN SPACES

The flat is close to some of the capital's most beloved green spaces, including Princes Street Gardens (at the foot of Edinburgh Castle) and the Water of Leith, an idyllic trail for leisurely walks and cycle rides. Conveniently, the property also falls within a controlled permit parking area (Zone 1A), ensuring residents have priority to park on the lane and surrounding streets.

NEW TOWN

Distinguished by its elegant Georgian and neo-classical architecture, tranquil cobbled streets and beautiful private gardens, Edinburgh's iconic New Town has long been one of the most prestigious and sought-after residential locations in the capital. The historic conservation area and UNESCO World Heritage Site is a centre for art, history and culture, and home to some of the country's finest art galleries and collections, including the Scottish National Gallery and Scottish National Portrait Gallery. Backed by the Water of Leith, the property benefits from a highly convenient setting on the western flank of Edinburgh's New Town. It is set within easy walking distance of all the city centre has to offer, and being close to the West End, it has the pick of some of the capital's finest recreational facilities, including a wide range of top-quality eateries and bars.

The iconic Dean Village and fashionable Stockbridge (home to award-winning gourmet restaurants) are both just a short 10 minutes stroll away, and world-famous attractions like Edinburgh Castle and the Scott Monument can be easily reached on foot. At the heart of the world's leading festival city, New Town plays host to various events throughout the year, particularly the International Book Festival in Charlotte Square and the renowned Hogmanay celebrations. For first-class shopping, Princes Street and George Street offer a diverse blend of high-street stores and luxury retailers, while Harvey Nichols and Multrees Walk is the place for high fashion and couture. Furthermore, just a short walk away, there is the St James Quarter, a £1 billion development that is home to world-class designer stores, bars, entertainment, and a great range of restaurants and eateries. The buzzing New Town nightlife has something for every occasion, from cosmopolitan cocktail bars and nightclubs, to award-winning pubs and restaurants.

AMENITIES

on your doorstep

New Town residents also have some of the capital's most beautiful green spaces right on their doorstep, including Princes Street Gardens and the Royal Botanic Garden Edinburgh. The property falls within the catchment area for the highly-regarded schools of Stockbridge Primary School, St Mary's RC Primary School, St Thomas of Aquin's RC High, and Broughton High, and is also well-placed for some of Edinburgh's top independent schools, from nursery right through to senior level.
