OUTSIDE

The Old Station House is approached through brick piers leading to a generous driveway providing parking for several vehicles. The attractive landscaped grounds are a particular feature, offering a high degree of privacy and enjoying views over the adjacent countryside. The river Stour forms the opposite boundary. The garden has well maintained lawns, an abundance of well stocked flower and shrub beds, kitchen garden. Further facilities include 4 stables, feed room and tack room. The gardens are divided into distinct areas of landscaped gardens and three paddocks. An exterior staircase at the front of the house leads down to a useful cellar, this runs under part of the sitting room. In all the property enjoys an overall plot of approximately 2.96 acres (subject to survey).
