'This fantastic home offers so much space for a growing family with as many as five bedrooms, a stunning kitchen/dining room and a beautifully landscaped rear garden!'

Having been the subject of a superb double storey side extension, this five bedroom semi detached is presented in excellent order from top to bottom and would perfectly suit an expanding family looking for a good size home in a pleasant village location. On entering the property, there is a hall with stairs to the first floor and a door into a light and bright lounge. The kitchen/dining room is a real feature and extends across the rear with a range of high gloss units and quality work surfaces, French doors to the garden and the dining area continues into a really useful utility room. On the first floor there are five bedrooms all of which are a comfortable size, a family bathroom and a separate shower room and both have been tastefully finished. GCH and double glazing.

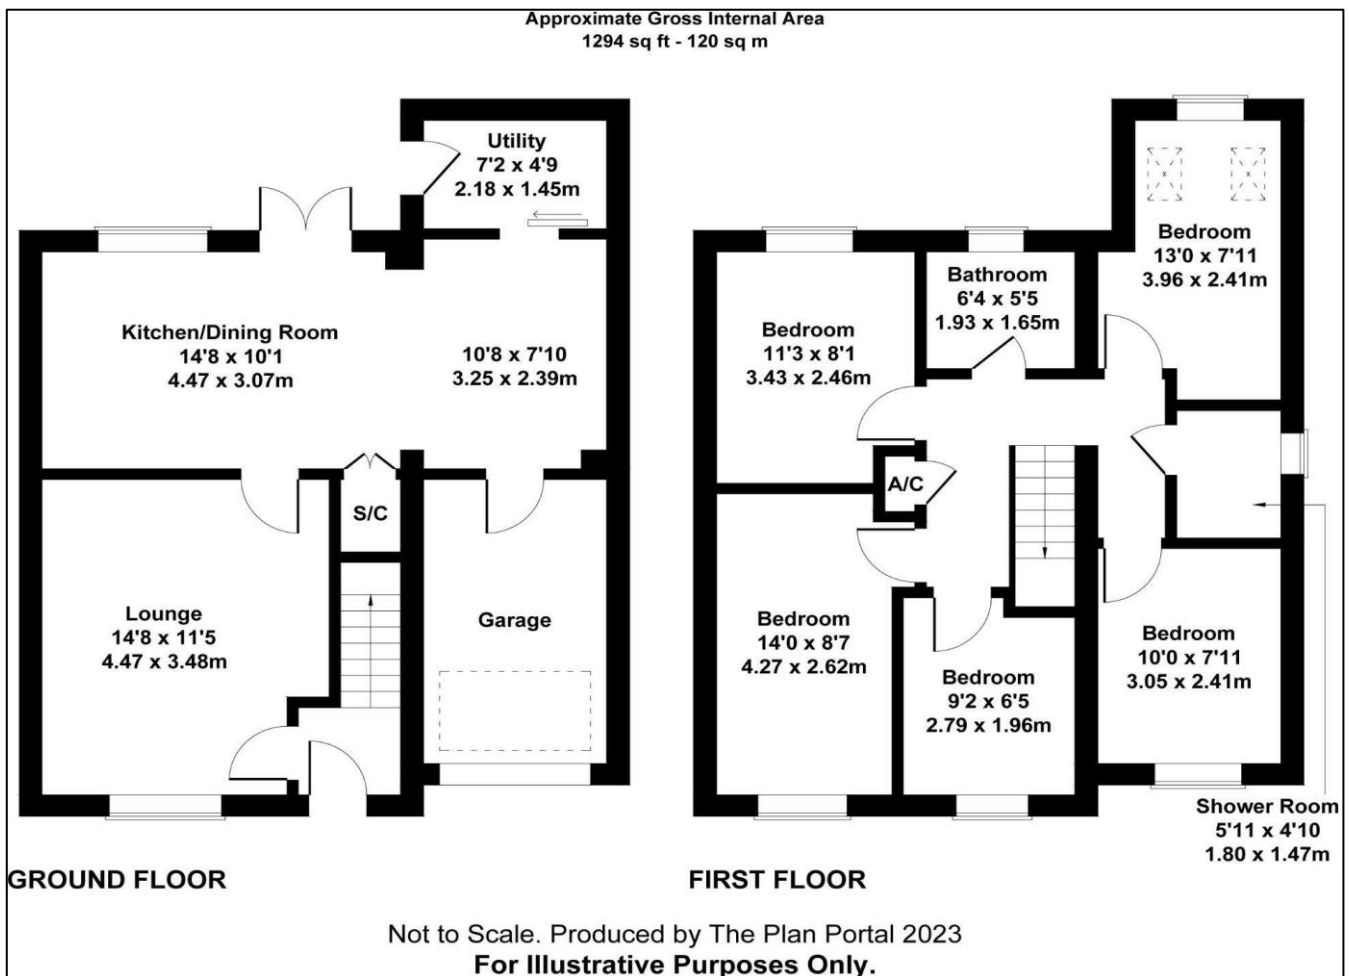

Externally the front has been laid to off street parking for a couple of vehicles in front of a single garage. At the rear the garden has been beautifully landscaped with an attractive paved seating area and level artificial turf garden.

Russet Way is a quiet cul de sac which is close to recreation playing fields making it ideal for families, the village centre and its school is a five minute walk, as is open countryside. Bath city centre is seven miles and Bristol city centre is sixteen miles, making this property an ideal commuter base.
