The Area

The town of Bo'ness is nestled on the south bank of the River Forth just 18 miles west of the capital city of Edinburgh and less than 5 miles from the historical town of Linlithgow.

Bo'ness is the shortened version of the towns name which is actually Borrowstounness, dating back to the 1400s. The town benefits from some lovely views across the River Forth with an array of local shops and historic architecture.

There are many attractions in the town including the Bo'ness & Kinneil Railway, Kinneil House and the cottage where James Watt worked on his steam engine. Home of the oldest picture house in Scotland, the Hippodrome Cinema, which has been recently refurbished.

Today, Bo'ness is primarily a commuter town, with people travelling to Edinburgh, Glasgow and Falkirk with excellent road and rail links to all areas.

Guidelines

to buying your Dream Home

Once you have chosen your house style and which plot you want to buy, we can assist you, if required with the following:

- Appointing a solicitor to carry out the conveyancing for your purchase is essential, however should you require the recommendation of a solicitor, we will be happy to put you in touch with one.
- Financial advice from an Independent Financial Advisor, if you do not have anyone in mind, we can recommend a suitable independent advisor to provide free financial advice, prior to your reservation. Please ask sales manager for details.

The next stage is formalising your reservation agreement which will hold your chosen plot and fix the price of the property for the period stipulated (usually 2–3 weeks) and making your reservation payment fee of £500. (Preferred payment method is online banking however if this is not available to you the site sales manager can advise a suitable alternative.

*50% of your reservation fee will be retained should you cancel your reservation prior to concluding the missive contract.

During the fixed period your reservation agreement states, our standard, legal missive contract will be sent to your appointed solicitor. The stipulated expiration date on your reservation agreement will be the same as the date we require your missive contract to be concluded by. These dates are extremely important as the reservation will automatically expire & any incentive offered will be withdrawn, should the next stage of concluding the missive contract, not have been achieved, (unless a written request submitted from your solicitor to ours has been approved by our office) and the plot will be remarketed for sale. Once you and your solicitor are satisfied with everything, your solicitor will conclude missives on your behalf. At this point the balance of the deposit will be payable which is further £500 adding to your total deposit of £1000.

With the legalities complete, subject to build stage, you will be invited, to a specific appointment, at the marketing suite to make your colour choices from our excellent range of standard options plus our client extras range, to finish your new home. The appointment date agreed will be the Final opportunity for processing all colours and any client extras for the property (we are unable to consider any amendments/additions to your colour selections or chosen extras after this appointment date), however would welcome as many visits by appointment, as necessary prior to the final appointment date & time agreed.

*Please be advised only our pre-approved list of extras will be considered, subject to the build stage of the property at the time.

Following this, we will keep you informed at intervals of the progress of your home, to monitor the build programme and anticipated entry date. As your build progresses, we will be in a clearer position to advise on firmer, likely date for completion.

Brexit, Lockdowns and significant demand are combining to create shortages in the essential materials and labour the UK's housebuilding sector needs, with global supply chains significantly stretched and order backlogs now a regular occurrence. Whilst we will continue to provide all our customers with anticipated dates some delays may be encountered in the coming months because of the shortages.

Subject to build stage at point of reservation

- Prior to completion of foundations and ground floor – at this stage we will advise buyers of an anticipated calendar quarter.
- When the roof is completed and the building weatherproof – at this stage, our buyer will be advised of the anticipated month of completion.
- When the home is decorated, main services connected and passed fit for habitation by the local authority and Warranty body provider – at this stage an anticipated move-in date will be agreed with you.

When your move-in date has been finalised, your funds from your solicitor will be transferred on the agreed date. You will receive a personal home demonstration of your new home from our site team representatives along with the keys to your new home.

On your day of settlement, you will be provided with a one month after entry form to allow you to record any minor snagging issues which will be reviewed by our site team at the end of the first month.

Details of our emergency Customer Care number will be provided for any urgent items.
