IF YOU LIVED HERE...

From outside, red brick and white render combine with classic windows, while a smart navy front door is approached by a tiled path. Planting frames the façade with softness, giving the house an inviting and enduring character. Step inside to a hallway of patterned tiles, lofty ceilings and a staircase with a runner that draws the eye upwards. At the front, the reception room is bathed in natural light from a bay window, framed by an arch and flanked by bespoke cabinetry. To the rear, the kitchen, dining and living space is particularly captivating. An expansive skylight and wide sliding doors fill the room with daylight, opening directly onto the garden. A generous island anchors the layout, while herringbone flooring adds refinement. With seamless flow between zones, it is a space equally suited to entertaining and everyday life. Beyond, the garden feels like a private sanctuary, with a wide lawn, mature planting and terraces for dining. At the far end, a contemporary studio with full-height glazing extends the versatility of the home. A utility room, cellar and stylish WC complete the ground floor.

Upstairs, four bedrooms and a bathroom unfold across the first floor. The main bedroom features a graceful bay and fitted wardrobes, while others combine soft tones with playful detail. The bathroom balances elegance with comfort, offering a freestanding tub, separate shower and marble-topped cabinetry. Rising to the top floor, a generous bedroom is illuminated by multiple shuttered

windows and complemented by built-in wardrobes neatly set into the eaves. Alongside, a bright playroom with skylights and further storage offers a versatile retreat, while a shower room with patterned flooring and crisp tiling completes this level.

A WORD FROM THE EXPERT...

"Being a country girl at heart, for me Wanstead is the perfect blend of village/city living. With excellent transport links into the city, I often meet up with friends to explore the wonders of London. But I also enjoy going for long, leafy walks with Hollow Ponds and Wanstead Park on my doorstep. I was first attracted to Wanstead by its charming High Street, lush green spaces and choice of excellent schools. Since moving here, I have discovered some new favourites — for breakfast La Bakerie, lunch at Otto and The Duke for the best roast around. I love to stay active, and here in Wanstead you have lots to choose from. From organised yoga at Christ Church Green, personal training sessions at Target Fit or jogging around the various nature trails of Epping Forest. There is a great sense of community here in Wanstead, with informative Facebook groups, street parties, a monthly farmers' market and the local jumble trail. I have made many friends locally, there is a genuine community spirit here and I am proud to call Wanstead my home."
