Welcome to Different homes at Norris Green Village. Norris Green Village is an impressive new development of 221 desirable family homes located near the heart of Liverpool city centre.

In recent years, Norris Green has been part of a large regeneration project, now with its lovely new homes, green spaces and a thriving community, it's one of our most popular developments!

You will love coming home to the Grantham every day. On the ground floor, the open-plan integrated kitchen and dining room makes a great entertainment space, and this connects to the garden via French windows – perfect for summer barbecues and family parties. Across the hallway, you have the spacious living room where you can relax after a hard day at the office. To the right is the downstairs WC.

Upstairs, there's the master bedroom, two more bedrooms and the stylish family sized bathroom with separate bath and shower. Beautiful flooring runs throughout this contemporary, energy-efficient home. Every last detail has been designed and built to high standards and fitted alarm systems provide extra security and peace of mind.
