We're pleased to present this great 2-bedroom house in a prime location in Liverpool. With wood floors throughout, this spacious property offers the perfect haven to relax away from the hustle and bustle of the city. A roomy kitchen with appliances included allows you to cook up a storm, whilst a breakfast bar connects to the living area, which is perfect for hosting. A three-piece bathroom includes a bath and overhead shower unit. The interiors are clean and bright, and the property is offered furnished, so you can move right in and drop your bags.

As for location, you'll have everything you could possibly need within easy reach. The University of Liverpool and the Royal Hospital are all within a 5 minute drive, so you're perfectly placed for both work and play (you can also take a stroll if you fancy stretching your legs). Liverpool city centre is also easily accessible, just a 15 minute drive away, and you have several public transport links close by.

Due to its ideal location, we guarantee this one won't be on the market for long. If you'd like to take a closer look, make sure to give our team a call.
