28 Baronswood, Gosforth

Beautifully Presented & Fully Renovated Detached Bungalow Boasting Two Double Bedrooms, Generous Living Room, Open Plan Kitchen/Diner, Conservatory, Utility Room, Single Garage, Off Street Parking for Two Vehicles and Lawned Rear Garden! The property itself was originally constructed as a three bedroom home, and the current owners have since remodelled and refurbished to an immaculate standard throughout. The property has been partially rewired, a full new plumbing system fitted, remodelling the layout to include a refitted open plan kitchen/diner, new bathrooms, amongst many other high quality works. This great two bedroom detached bungalow is ideally located at the desirable Baronswood, Gosforth which is tucked just off from Salters Road & Jubilee Road, is perfectly placed only a short walk from Gosforth High Street with its shops, cafes and amenities. The property also enjoys lovely open aspect views over the surrounding greenery and is quietly positioned to the westerly side of Baronswood. The internal accommodation comprises: Entrance hallway with useful store cupboard | The principal bedroom is positioned to the front of the property and offers a double bedroom and access onto a beautifully refitted ensuite shower room/wc | Bedroom two offers a smaller bedroom. The hallway then continues down to the rear of the property and leads onto a lovely open plan kitchen/dining room | The refitted kitchen is highly impressive and boasts a range of modern cabinetry & worktops, as well as integrated appliances throughout | Separate living room | Conservatory overlooking the private gardens | Utility room with integral access into the single garage. Externally, the property is approached via a block paved driveway, offering off street parking for two vehicles to the front | To the rear is a well presented garden, which is laid partially to a re-laid paved patio terrace and partially to lawn, with fenced borders offering a great degree of privacy. Extremely rare to the marketplace, early viewings are strongly
