

Hove, BN3 6NQ

Guide price £1,250,000

This striking contemporary home spans approximately 2,686 sq ft and was newly built in 2022, offered with the remainder of its 10-year new build warranty. Set behind secure gates with a private driveway providing off-street parking, the property offers both privacy and modern living just moments from Hove Park, Hove Recreation Ground and Hove mainline station.

The accommodation is arranged over three floors, designed with open-plan living in mind and finished with sleek, high-quality fittings throughout.

On the ground floor, a large reception hallway flows into a stunning open-plan kitchen, dining and living space with striking porcelain tiled flooring, a central island, and bi-folding doors opening seamlessly onto the landscaped gardens and patio terraces. There is also a separate sitting room with herringbone flooring and feature recesses, perfect for family evenings or entertaining.

The lower ground floor offers a versatile room, subject to planning approval to formalise its use as part of the accommodation. This level could provide additional bedrooms, a cinema room, gym or children's playroom — allowing the property to become a six-bedroom house once consent is granted.

The first floor is home to the impressive principal bedroom with a stylish en-suite shower room and bespoke fitted wardrobes, alongside two further bedrooms and a beautifully finished family bathroom.

Outside, the garden wraps around the property with both lawned and paved areas. A large patio with built-in hot tub creates the perfect spot for relaxation and entertaining. The gated driveway provides off-street parking and enhances the privacy from the road.
