An exceptional and rarely available opportunity has arisen to acquire this impressive detached family residence, nestled within approximately 3.9 acres of private woodland. Extended around 20 years ago to significantly enhance the original footprint, the property now offers an abundance of versatile living space, including six generously proportioned bedrooms, three bathrooms, two well-appointed reception rooms, and two fully fitted kitchens—making it ideally suited to modern multi-generational living or larger families seeking space and flexibility.

This unique home is a seamless blend of traditional charm and contemporary convenience, with beautiful exposed beams featured throughout, adding character and warmth to the modern interior. The grounds provide a true sense of seclusion and serenity, with an abundance of natural beauty and frequent visits from local wildlife, including deer, enhancing the idyllic setting. The panoramic woodland views offer a tranquil retreat from everyday life, making it easy to forget how close you are to excellent transport links.

The property also benefits from a detached barn currently in use as a workshop, which presents exciting potential for conversion, subject to the necessary planning consents. In addition, a self-contained log cabin situated within the grounds is currently operated as a successful Airbnb, providing a valuable and flexible source of supplementary income or ideal guest accommodation.

Despite its peaceful countryside location, the property remains conveniently located just a short distance from the A650 and Crossflatts train station, offering excellent connections to Skipton, Bradford, Leeds, and beyond. The property is also situated close to the highly regarded St Ives Estate, with its scenic walks and parkland. This is a rare chance to secure a truly special home that offers both privacy and accessibility. A viewing is highly recommended to fully appreciate all that this magnificent residence has to offer.
