

Shellow Road, Willingale, CM5

BUTLER  STAG

Open Day The 26th April - By Appointment Only

Nestled in the Essex countryside and overlooking stunning far-reaching views, stands this charming, four-bedroom home combining modern decor with open family living.

Freehold

- Semi Detached Family Home
- Four Bedrooms/Two Bathrooms
- Stunning Throughout
- Three Reception Rooms
- Spacious Lounge/Play Room
- South East Facing Garden

French doors unfold from the open-plan kitchen/ diner and lounge room, creating a spacious and welcoming heart of the home. The light and airy entrance hall extends towards the playroom which could also be used as a study/home office.

Upstairs are four spacious bedrooms, including a master suite with French doors overlooking the countryside, new and bespoke fitted wardrobes and an en-suite shower room. In addition to this is a contemporary family bathroom benefiting from the recent install of underfloor heating.

Externally, the property benefits from a private driveway offering ample off-road parking, in addition to a well-maintained front garden. To the rear, a sweeping garden backs on to open fields, providing stunning far-reaching views of the surrounding countryside; this provides a perfect space for outdoor living, complemented by a gym, shed, and additional outbuilding.

This home is conveniently located within easy reach of Ongar High Street, where you'll find a variety of coffee shops, restaurants, and boutique shops. The central line can be easily accessed from Epping station, less than 25 minutes away, and the nearby city of Chelmsford also has excellent transport links into London.

The property has recently been extensively upgraded throughout: every room has been freshly redecorated, with newly fitted carpets, oak doors, electric blinds and wooden shutters; the bathrooms and downstairs WC have been completely overhauled to bespoke, luxury designs; a completely new fireplace and surround has been designed and installed in the living room; and a new boiler and Hive system were installed in 2024.
