All The Ingredients Needed For A Fabulous Lifestyle

Nestled between similar character cottages is this attractive two bedroom, two reception room terraced property, located in the heart of the conservation area with views overlooking the 'Old Brickie' Park and the rare advantage of off road parking. This pretty cottage has a contemporary feel as you step inside with accommodation arranged on two floors. The ground floor comprises of an entrance porch, a 20ft lounge/diner open to the stylish fitted kitchen area. A fabulous spiral staircase leads to the first floor where the master bedroom, a further bedroom and a trendy shower room can be found. The combination of some old tradition such as xylo-herringbone wood flooring, sash style windows and custom made spiral staircase are fused with modern day luxuries including underfloor heating in some living areas, sleek Harvey Jones fitted kitchen cabinetry complemented by integrated Neff appliances and a lavish fitted C.P Hart shower suite. To the outside is a lovely low maintenance courtyard style rear garden with the rare benefit of side gated access leading to the front of the property. To the front of the property is a 'cobbled' style driveway providing off road parking for one car. New England street is an enviable address as it gives easy access to the city centre with its extensive shopping and leisure facilities and is near to the mainline railway station.
