## DESCRIPTION

Having recently undergone a full refurbishment, the second floor east offers a modernised take on a period style office, furnished with industrial style desks and tables. Natural light captures strong levels of natural light with sash windows from multiple angles. The workspace has been fitted with an attractive light wood flooring set in a herringbone style. The ground floor reception has undergone a full overhaul to create a modern welcoming reception with Scandinavian style slatted wood features and exposed brickwork on the landing.

The West side of the floor is also available to rent which could be used as an additional boardroom, breakout space, or private office.
