## DESCRIPTION

Nestled within the picturesque coastal conservation village of Gristhorpe, near Filey, this exceptional five-bedroom detached home, dating back to 1684, offers an exquisite blend of period charm and modern convenience. Situated on a no-through road in a tranquil and attractive setting, the property stands within grounds approaching one acre, making it an ideal family home.

The house, steeped in history, boasts 24-inch local sandstone walls, with a second floor added in 1891 in brick construction. Offering a well-balanced layout across an impressive 2,400 sq. ft., the property features generously proportioned rooms, rich in character with exposed beams, original fireplaces, and Yorkshire sash windows. The stunning oak-framed garden room at the rear provides a seamless connection to the beautiful gardens, enhancing the home's unique charm.

The ground floor offers a welcoming entrance hall which leads to a spacious living room with a log-burning stove, a snug room featuring a window seat and log-burning stove, and the striking oak-framed garden room with doors opening to the garden. The characterful farmhouse kitchen/diner is complete with an AGA, while the utility room provides a practical rear access point. Additionally, there is a ground-floor bedroom with an en-suite shower room, which could alternatively be used as a home office.

As you ascend to the first floor, the galleried landing leads to four double bedrooms, all enjoying far-reaching countryside views. A modern family bathroom completes the upper level.

The expansive rear gardens feature a large decked seating area, a pergola offering additional covered seating, a swimming pool, and a large pond. A beautifully maintained lawn leads to a vegetable patch, sheds, and a treehouse at the bottom of the garden. The property benefits from ample off-road gravelled parking at the rear and is enhanced by owned solar panels, contributing to its excellent energy performance.

Once stables, the self-contained annex has been thoughtfully converted (with full planning permission and building regulations) into a stylish and contemporary one-bedroom living space. Boasting breathtaking field views, it comprises a light and airy open-plan kitchen/lounge, a utility room, a separate WC, a double bedroom with a small office space, and a modern shower room. There is also the added advantage of the annex having its very own enclosed garden with both a shed and summerhouse. This annex offers fantastic potential for extended family accommodation or a lucrative holiday let investment (subject to the necessary consents).

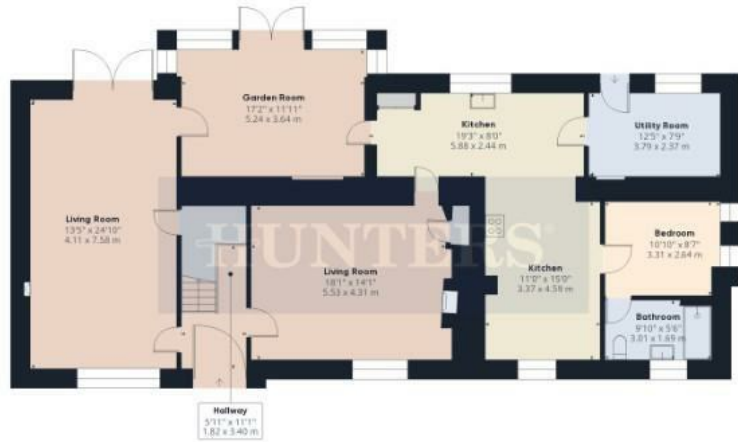

Gristhorpe is a charming village with a welcoming public house and provides easy access to the nearby towns of Filey and Scarborough, offering a wealth of amenities. With the A64 within reach for commuting, well-regarded schools nearby and stunning coastal and countryside walks on the doorstep, this property is a rare and exceptional opportunity.

Early viewing is highly recommended to appreciate the full charm and potential of this unique home.
