Main Entrance & Kitchen/Breakfast Room

The main entrance is via a UPVC door leading directly into a fully fitted kitchen, featuring a range of wall and base units, wooden worktops, a graphite grey sink with mixer tap, and space for an American-style fridge freezer, dishwasher, wall-mounted microwave, oven, and an induction hob with a designer extractor fan. Natural light floods through two UPVC windows. A door leads to a useful storage cupboard housing the Logic combination boiler — ideal for coats and shoes.

Living Room

A bright and cosy space with carpet flooring and a UPVC bay window with a charming window seat, overlooking the front aspect. The room boasts a large wood-burning stove set within a stone surround and wooden mantel, exposed vaulted ceilings with beams, and additional UPVC windows to the side. A door opens to a home office/study.

Office/Study

Currently used as a home workspace, this area enjoys ample natural light from three windows and features glass-fronted doors.

Dining Room

Accessed via glass-fronted wooden doors, the dining room features carpet flooring, a multi-fuel stove, a composite stable door to the side, and a second fireplace (currently decorative). With UPVC windows and vaulted ceilings with exposed beams, the space is full of character. A door leads to the rear hallway.

Rear Hallway

With laminate flooring and doors leading to the bedrooms, bathroom, and annex.

Bedrooms & Bathrooms

Bedroom One: A spacious double with carpet flooring, vaulted ceilings with beams, and a UPVC door leading to a private sun terrace — currently housing a hot tub.

Family Bathroom: Tastefully designed with tiled flooring, a bespoke vanity unit with washbasin, concealed cistern WC, a large walk-in shower with rainfall head, multiple jets, and handheld attachment. Finished with LED spotlights, a designer heated towel rail, and frosted UPVC window.

Bedroom Two: Another double room with carpet flooring, exposed beams, vaulted ceiling, and UPVC window to the side.

Bedroom Three: A comfortable single with built-in wardrobes and access to the annex/fourth bedroom.

Bedroom Four/Annex: A fantastic, versatile space currently used as a bar/games room but ideal as an annex or guest suite. Features carpet flooring, UPVC window, French doors to the front, and a fitted bar area (removable). A door leads to the en-suite bathroom, comprising a pedestal basin, low-level WC, panelled bath with shower attachment, skylight, heated towel rail, and frosted UPVC window.

This space can easily be reconfigured to create a self-contained living area, especially when combined with the third bedroom.

Exterior & Grounds

The property boasts gardens to the front and side, with an artificial grass lawn and resin patio to the front, enclosed by a gated entrance at street level. Stairs lead up to a stunning sun terrace, finished with composite decking, stainless steel balustrade, and glass panels — the perfect spot to enjoy the far-reaching views across Shelf, the surrounding villages, and a private fishing lake.

The outdoor areas offer ideal spaces for relaxing, entertaining, and soaking up the sun.
