Only two years old and owned since new, this is a superb example of a quality, low-maintenance home in a desirable location. The owners have invested in quality add-ons inside and out to make this a beautifully, presented home ready to move straight into.

GROUND FLOOR

An entrance porch with laminate flooring opens to the lounge, featuring panelling detail and contemporary décor.

A door leads through to the spacious kitchen-diner, fitted with matt grey units, gas hob, double electric oven, integrated fridge-freezer, dishwasher, extractor fan, and practical flooring and plenty of space for a dining table for family meals or entertaining.

From the kitchen, access is provided to the utility room, which includes an integrated washing machine, sink, and a WC. There is also a generous under-stair cupboard, large enough for a freezer and dryer, plus an additional cupboard housing the consumer unit.

FIRST FLOOR

Bedroom two is a generous double to the rear, with a window overlooking the garden, free-standing wardrobes to remain, and a walk-in wardrobe.

Bedroom three is a smaller double/home office to the front.

The family bathroom is fitted to a high standard, with quality tiling and fixtures.

SECOND FLOOR

A private door leads to the upper master suite, which benefits from high ceilings,

contemporary horizontal panelling, a landing with a front-facing window, fitted mirrored wardrobes, and an en-suite shower room with half-height tiling. Rear-facing Velux windows bring in plenty of light.

OUTSIDE

Occupying a desirable corner plot, the gardens are designed for low-maintenance enjoyment and privacy. The stone-paved patio, artificial lawn, and composite raised decking area are complemented by sleeper-raised beds and wrap-around stone flagging. A shed offers extra storage, and a side gate provides easy access. The rear is fully enclosed with fencing for privacy.

Two allocated off-road parking spaces are situated to the rear, along with an electric vehicle charging point.
