These include an induction hob, twin oven (one of which a combination microwave and oven) double fridge, double freezer, dishwasher and a discreetly positioned wall mounted gas fired central heating boiler.

On the first floor, off the galleried landing, are three good sized bedrooms and a luxury family bathroom plus a generous sitting room with patio doors to a spacious terrace area. On the second floor, there are two large bedrooms, the master bedroom benefitting from a walk-in closet, both with luxury en-suite bathrooms and French doors to a terrace area.

Outside, the block paved driveway provides parking for one car, although there is potential to create another parking space to the side. The double garage has an electric up and over door, power and light connected and a door to the side of the property. Gated access leads to the rear garden which has been professionally landscaped, laid to high quality artificial turf, flower and shrub borders, generous paved patio area, a large bike/garden shed, bin store and all is enclosed by a combination of walling and fencing.
