The property occupies a fine centre of village location within this highly sought-after and established residential area, all just a short walk from the primary school, main line train station and village amenities. The current owners have resided very happily at the property for 4 many years and in this time have transformed the house with a programme of expansion and full refurbishment, culminating in beautifully presented, generously proportioned and extremely versatile accommodation, extending to 3100 Sqft.

The accommodation comprises an impressive reception hall with marble flooring, stairs to first floor accommodation, cupboard under, a fitted coat cupboard and a cloakroom/WC just off. There are three reception rooms including the sitting room with feature fireplace which could easily accommodate a wood burning stove. This opens to a generous lounge and overlooks the garden, a snug/office with bespoke storage cupboards and book shelving and work station. The kitchen/breakfast/family room is very much the heart of this beautiful home and fitted with bespoke cabinetry with ample quartz work surfaces and a large central island/breakfast bar with deep pan drawers and a series of larder cupboards with one and a half butler sink. There is a gas Rangemaster stove with extraction over, space for an American style fridge/freezer and dishwasher. The kitchen is further complemented by a large boot/utility room, again fitted with bespoke cabinetry, including a coat and shoe storage, fitted work surface with inset one and a half sink unit, mixer tap and drainer plus space for the usual white goods and door to outside.

Upstairs, off a large galleried landing are seven bedrooms, both the master bedroom and the guest bedroom boasting luxury en-suite facilities and a further large luxury family bathroom.

Outside, the property is set back from the road, behind walling and a neat lawned front garden with in and out driveway, EV charging and secure gated access both sides. Accessed on the right hand side is a paved kitchen garden, ideal for growing vegetables and herbs and this leads to the mature and private rear garden which is predominately laid to lawn, complemented by a large Indian sandstone patio, further raised vegetable, herb and fruit beds, a wide and varied selection of trees and shrubs with a paved pathway leading to the rear of the garden where can be found a large log cabin with power and light connected and would make an ideal home office or hobby space. All is enclosed by fencing and enjoys good levels of seclusion.
