The cottage boasts a wonderful centre-of-village position with all the amenities on the doorstep and so conveniently placed for the local primary school and mainline train station. The property has been in the ownership of the current vendors for many years, however in recent times it has been subject to a programme of expansion and full refurbishment, yet with great care taken to preserve the original fabric of the building and boasts a wealth of exposed timber beams. The cottage offers extremely flexible accommodation arranged over two floors and boasts a generous driveway and a large one car garage.

The accommodation comprises an entrance porch that leads to the dining room with exposed timber beams, Karndeian flooring and a door to the first floor staircase. Off the inner hallway is a further reception room, which in the past has been utilized as a snug / office but also as a ground floor bedroom given its close proximity to the adjacent refitted bathroom suite. The kitchen / breakfast room is fitted with attractive cabinetry, ample fitted working surfaces with an inset single sink unit and drainer, pull out larder, integrated appliances include a ceramic hob, oven and extractor and there is space for a fridge-freezer and dishwasher. Just off is a handy utility room with a door to the garden, fitted storage cupboards and space for the usual white goods. The sitting room extension is a beautiful dual aspect room with bifold doors leading to the garden.

Upstairs, there are three bedrooms including the master room with an inter-linked dressing room with a shower room just off.

Outside, the front garden is enclosed by hedging with a block-paved driveway providing parking for up to three vehicles. The garage has an up-and-over door, power and light connected. Gated access leads to the rear garden, which is mainly laid to a neat, well-maintained lawn with a generous Indian sandstone patio area with a paved pathway leading to the vegetable/herb/fruit garden. All is enclosed by fencing backing onto the recreation ground and enjoys excellent levels of privacy and seclusion.
