Can Tura, Jesús– € 8.950.000

In partnership with **BARNES**
INTERNATIONAL REALTY

Set in the gentle hills of Jesús, this seven-bedroom villa for sale gazes towards Ibiza Town and the sea. From Can Tura's elevated position, pine forest views give way to panoramas that stretch over nearby Ibiza Town and the ocean. Connected yet calming, the line between indoor and outdoor living blurs throughout, with signature architecture by Blakstad designed to sync with the island way of life. Solid whitewashed walls, wide arched windows and numerous terraces across the generous plot lend themselves to escapism.

There's a timelessness to the interiors. In the main house, a double-height living space takes centre stage with vast windows leading out to a south-facing pergola. The inside-out feel continues in a separate snug where more glazing offers a snapshot of the greenery beyond. Meanwhile, the well-equipped kitchen offers direct access to the first of two pools.

Outside, mature landscaped gardens continue the sense of calm. Olive, citrus and fig trees add a fragrant note to the wraparound grounds, alongside abundant bougainvillea, lavender and rosemary. Switching off comes naturally out here. A covered dining terrace plus a poolside bar and shaded seating area surround the main pool. Around the corner, larger outdoor dining and seating areas extend the living spaces. Completing the al fresco line up – a dedicated entertaining zone is made to host, complete with a kitchen, pizza oven, barbecue, additional terrace and a separate pool.

Bedrooms follow a formula: all lofty ceilings, warming tones and access to the outdoors. Immaculate, marble-wrapped en suites sit alongside two bedrooms found in the main house, plus a further five bedroom suites spread across separate wings and annexes. Among them, privacy prevails in the top floor self-contained apartment, which features a kitchenette, office and balcony with far-reaching views.

Who — we are

Forward-thinkers in property, design and culture, we're an estate agency that hits refresh.

Domus Nova was born out of a desire to do things differently; to break the traditional agency model and focus on design-led homes in London and Ibiza, all while delivering the highest levels of personal service.

Our story starts in the nineties when we founded Notting Hill's first boutique agency – and we continue to open the doors to the most remarkable spaces, revealing them to our like-minded community.

We want to help you live better – and believe considered design can do that. That's why we remain committed to building on our legacy, in collaboration with BARNES International, an established agency with a market-leading presence in 22 countries.

Uniting our local insight and curated portfolio with BARNES International's expansive reach, we can facilitate the best opportunities in not only London and Ibiza, but also across Europe, the US and further afield – whether that's a château in the South of France, a penthouse in New York, or a chalet in the Swiss Alps.
