## MASTERPLAN

Here you'll find an impressive choice of two, three and four bedroom homes waiting for you off Greyline Avenue in Cambuslang. Located on the edge of the River Clyde, Newton Farm forms part of a multi-million pound development which benefits from two new primary schools, local community and sports facilities, playparks and cycleways. It's a special place to live, work and enjoy life.

### Development Design

As part of the wider masterplan to build over 2,000 homes, Newton Farm is designed in line with the Scottish Government's Designing Streets principles to put pedestrians and cyclists first, to help encourage their use as social and play spaces.

### Community Contributions

We will make significant contributions towards providing local education capacity including the delivery of two new primary schools, as well as upgrades to the River Clyde walkway.

### Open Space

Newton Farm will benefit from four new play areas, and there is plenty of green space from the existing mature landscape around the development which is perfect for making the most of the outdoors.

### Local Amenities

You'll find a great selection of shops, cafes and restaurants in Cambuslang. Newton Farm also has excellent transport links to Glasgow. The M74 is just 4 miles away and Newton train station is a short walk from the development and can take you into Glasgow Central in under 20 minutes, which is ideal for commuters.
