Constructed with beautiful stone and featuring an inviting oak porch, it is nestled in a picturesque spot, surrounded by a wonderful, kind-hearted community.”

“Our journey to this idyllic location began when friends moved to a nearby village. Upon visiting, we were captivated by the charm of the area and discovered this house with its expansive land. The village, with a stream running through it, boasts a quaint pub, a church, and a tight-knit, vibrant community. Every year, the village comes alive with events such as fetes and scarecrow competitions. This year, we enjoyed a memorable barn dance. The camaraderie here is unparalleled; when I was building the house, family members came to assist and visit, and we were touched by the kindness of locals who offered their bed and breakfast services at no cost.”

“The heart of The Pond Barn is its magnificent kitchen. Spacious and perfect for socialising, it features stunning triple views and is fully equipped with modern amenities. Natural light floods the space, creating a warm and inviting atmosphere.”

OUTSIDE

Front Garden

To the front of the house is a narrow fore garden measuring 4.75m to the front boundary. There are uplighters on the front of the house along with PIR security lighting. There is 4ft fencing across the frontage to ensure the views are visible with two mature silver birch trees. Just to the left of the driveway is a pedestrian footpath that runs away from the village offering beautiful walks, perfect for dog owners too.

Parking Arrangements

To the right of the property is a large crushed stone driveway measuring around 15.5m by 9.7m. So there is plenty of room to park several large vehicles, and space to erect a garage or carport (subject to the required local authority planning consents).

Rear & Side Garden

Directly behind the property is a slab pathway and a private terrace, cold-water tap, two double power points, Daikin air source boiler. The rear garden extends 6.5m to the original rear fencing with has some mature trees retained whilst allowing the views to be enjoyed across the open fields and nearby farm buildings. The total plot the house was built on measures around 24.25m by 15m (plus the parking area). There is a second large terrace on the far side of the house which is the best location to enjoy the views with a drink of your choice with family and/or friends, it is just idyllic! Along with the fields, you should see red kites hanging above on the winds, or even brave souls sky-diving at the nearby Hinton sky-diving centre (I can assure you it's an amazing experience) having braved it more than once!

"Outstanding. Chris could not have made the experience of buying a house any better.

The communication throughout the whole process was incredible. Chris offered advice when ever it was needed, made himself available at all times of the day (often very late at night - sorry Chris!) and followed up on questions with lightening speed. We were nervous buyers due to our circumstances of returning to the UK recently and needing a home quickly. Chris kept us informed and even reached out simply to let us know if there wasn't an update. This made a huge difference and kept us confident and reassured.

Chris' genuine care made us feel part of the local community before we even arrived. And our children look forward to seeing him like a family friend. We sincerely feel very very fortunate that Chris happened to be the agent for our house purchase. Thank you Chris!"

"Chris Mobbs is an exceptional agent we would recommend to anyone. He was so helpful from the very first interaction, listened to us and helped the process go through as smooth as possible. Chris made a normally stressful process fun, due to him working so hard and having the answers before we had to ask. Cant recommend him highly enough."
