BH22

Guide Price £550,000

It's hard not to be superfluous when describing this amazing detached house. Situated in a prime family area, the property has been stripped back to the bare bones and refurbished to an extremely high standard to suit modern family living. The open plan living area provides three defined areas with a lovely sense of light and space, and includes a newly fitted kitchen with integrated appliances. Also downstairs is the added bonus of a playroom/office/5th Bedroom adjacent to a newly installed shower room. Once upstairs you will find four double bedrooms and a high spec family bathroom with lovely little touches such as PIR sensors providing a low light for those trips to the bathroom by the little ones in the night. The garden is a well-manicured and easy to maintain area, that has the added bonus of a detached Larch wood cabin and separate workshop with power and light, ideal for entertaining in the Summer months. Amongst many other noteworthy features are that it has off road parking for several vehicles and could possibly store a smaller boat or caravan (dependant on size).
