This spacious, sociable area is perfect for entertaining or relaxing with family. At the heart of the home lies a truly exceptional kitchen/breakfast room—a showcase of quality and craftsmanship. Fully refitted and handmade by 'Neptune', it boasts a central island with corian worktops, an undermount 1.5 bowl sink, a premium Aga oven, and a suite of integrated Neff appliances. Crittal doors create a seamless transition between the kitchen and the south facing garden, perfect for indoor-outdoor living and entertaining in the warmer months. The Kitchen/breakfast room also benefits from built in Sonos on the ceiling. Upstairs, a split-level landing provides access to a spacious loft area with potential for conversion (subject to planning). There are three generously proportioned double bedrooms, each thoughtfully decorated and retaining elements of the home's period character with the principle bedroom spanning the full width of this impressive home. The luxury family bathroom is fitted to a high standard with both a bath and a separate walk in shower, heated mirror and underfloor heating.

EXTERNAL

The front garden has been thoughtfully designed to create a sense of privacy and seclusion, combining the character of original flint boundary walls with tall, mature bushes that offer natural screening from the road. A private driveway provides convenient off-road parking for one vehicle and leads to a traditional brick-built garage which is lined and tanked, with modern slatting for storage. To the rear, the south facing garden is a truly special feature of the home. Enclosed by charming period walls on all sides, it offers a unique and tranquil outdoor space filled with character. Beautifully maintained, the garden features a central lawn surrounded by well-stocked, mature planted borders that bring year-round colour and interest. An attractive Indian sandstone patio area provides the perfect spot for outdoor dining or relaxing in the sun, making this a wonderful private retreat just moments from the town centre.
