The Property and Location

Set at the end of a quiet lane with stunning rural views, this light and spacious four-bedroom detached family home offers a unique living experience.

The property features reverse accommodation, with a large open-plan living/kitchen diner space and two bedrooms on each floor. Additionally, there is a family bathroom, an en-suite to the master bedroom, and a large utility room. The standout feature of this property is the separate living room with a large balcony, offering breathtaking views over the fields and Perranporth.

Outside, the home includes a twin garage, a driveway with parking for five cars, and good-sized gardens that wrap around the front, side, and rear of the property. These outdoor spaces provide multiple locations to relax and enjoy the sun.

As well as being set at the end of the quiet lane, you will also find yourself within a short walk to Perranporth beach, supermarkets, coffee shops and all the day to day amenities Perranporth has to offer. There is also a bus stop with close proximity to the lane.

Heating for the home is oil-fired, and there are also solar panels that provide heating for the water and energy for the electrics. Further enhancements to the property include full double glazing and a well-fitted, spacious kitchen.
