The Property

This three-bedroom, end-of-terrace home is located in the village of Goonhavern. Set within a level walk to local amenities, the property is perfect for those looking to enjoy village life, with the added benefit of being just a short walk or cycle from the beach.

The property itself features three double bedrooms, a modern shower room, a well-fitted kitchen, and an L-shaped living room/diner. While the home is ready to move into, there is still potential to create a more open-plan living space, as well as ample room to extend, thanks to the large corner plot with gardens on three sides.

This home will be great for those looking to downsize, those looking for a family home with large garden or those looking for a property they can potentially extend.

The house benefits from oil fired central heating, is double-glazed and also benefits from a garage and parking.
