The Property

From Liskey Hill Crescent a block paved driveway with parking space for two vehicles and side gate access to the rear garden leads to a storm porch with covered boot storage area and hardwood front entrance door with glazed side panel.

Entering into the ground floor hallway there is a staircase to the first floor, utility and under stairs storage cupboards and doors to three double bedrooms and a family bathroom. The two rear bedrooms benefit from French patio doors to the southerly-facing rear garden, whilst the front bedroom offers a double width built-in storage cupboard.

Moving to the first floor, a generously proportioned landing offers additional storage space and access to the L-shaped open-plan kitchen/diner and family living space, with windows to three sides and patio door access to the rear balcony overlooking the garden and picture window to the front providing absorbing views over Perranporth to the sea and surrounding coastline beyond.

Concluding the principle accommodation, the light and spacious second floor is given over solely to the lovely master bedroom suite, with its dual aspect skylight windows, additional eaves storage and attractive ensuite shower room/WC.

Outside there is a southerly-facing low-maintenance garden to the rear, with patio and timber storage shed, enclosed by Mediterranean-style walls, raised flowerbed and timber fencing, allowing plenty of room for outdoor relaxation and entertaining.
