## The Property

Set at the end of a quiet residential lane and in an elevated position, this four-bedroom dormer home offers not only a peaceful hideaway with stunning views over Perranporth and Perrancoombe, but also beautifully sheltered, sunny gardens - perfect for those keen to grow a variety of plants and fruits.

The property itself provides expansive living accommodation, ideally suited to a family or those who love to entertain. On the ground floor, there is a living room that enjoys far-reaching views to the front of the property, as well as a large conservatory and a spacious, family-oriented kitchen/diner. Also on this level are three bedrooms, a bathroom, and an en-suite to one of the bedrooms. The first floor features an additional large double bedroom with its own en-suite. This space would also make an exceptional living room for those who prefer reverse living to take full advantage of the stunning views.

Externally, there is driveway parking to the front and an additional parking space to the rear. A double garage and a workshop are located off the main driveway. The gardens wrap around the sides and rear of the home, largely paved with an abundance of flower beds and a rich variety of fruit trees. The current owners are successfully growing everything from tomatoes to lemons, grapefruits, oranges, olives, and more—thanks to the garden's favourable aspect and the unique microclimate it enjoys.

Within the garden, you'll also find a former cattery that could be repurposed for storage, along with greenhouses and several sheds.
