Driveway Parking

The drive is currently used as one large driveway with parking for multiple vehicles but due to the in-and-out entrances, it could easily be split into two drives, one for each part of the bungalow.

Gardens

To the front of the property, you'll find large lawned gardens. The lawn is divided into two areas, so each side has its own enclosed garden. The rear gardens offer a pleasant mix of lawned spaces, BBQ seating areas, and a covered, courtyard-style garden that's perfect for relaxing with a morning coffee. Both parts of the property have their own enclosed areas, making it ideal for either a single home or dual occupancy.
