The Property

Camel Coastal & Country are delighted to bring to market this charming period property, offering spacious family living accommodation along with the added benefit of a self-contained cottage — ideal for additional income through residential or holiday lets, or perfectly suited for multi-generational living.

The property enjoys a superb location between the coastal towns and villages of Perranporth, Newquay, Holywell Bay, and Crantock. This makes it an excellent choice for those wishing to live within easy reach of the beach while still enjoying the peace and privacy of a rural retreat.

The main home features a large family room incorporating a well-fitted kitchen, living area, dining space, and a sunroom with full-size patio doors opening onto the lawned gardens, where you can take in beautiful rural views. From the family room, you can access a spacious living room with a deep-set traditional fireplace, as well as a separate dining room and a utility room.

Upstairs, there are four bedrooms, a family bathroom, and an additional shower room. The master bedroom includes a generous dressing room/office which has previously had water connected, making it ideal for conversion into an en-suite bathroom. Large patio doors from the master bedroom open to reveal stunning countryside vistas.

Attached to the side of the main home is the one/two-bedroom self-contained cottage. This has been successfully used by the current owner both as a full residential let and more recently as a holiday rental. It comprises a kitchen, living room, double bedroom, shower room, and a second bedroom/dining room.

Outside, the gardens wrap around two sides of the property, creating a charming rural, farmhouse-style feel. The layout offers a mix of intimate and open spaces — perfect for entertaining, relaxing after a day at the beach, or tending a home allotment.

To the side of the property you will also find a large workshop, store and smaller workyard as well as parking for both properties.

For those wishing for one large family home. There is a connecting door (currently boarded up) that leads from the living room of the main house, into the hallway of the cottage. This could give you a very spacious, six bedroom home with plenty of reception spaces.
