## The Property

---

This delightful bungalow has undergone sympathetic and extensive modernisation throughout to now offer a home that benefits from many of the features associated with a brand new property, yet situated in an established and peaceful location.

Giving this home a contemporary feel there are smooth set ceilings throughout with inset downlighting and there is UPVC double glazed throughout with UPVC fascias and soffits and a newly installed gas fired heating system. A particular feature of the home is the generous Shaker style kitchen with integrated appliances opening to the

dining area with double doors connecting to the hallway and then the lounge enjoying a front and rear aspect. The master bedroom has an en-suite bathroom and there is a second shower room. A tarmac driveway provides off road parking for numerous vehicles and both the front and rear gardens have been landscaped.

The bungalow is situated within a short walk of bus services and excellent walking across Upton Heath, whilst the centre of Broadstone has a thriving high street with leisure facilities and M&S Foodhall.
