## The Property

---

Located within walking distance of the centre of Broadstone and also on a bus route is this delightful detached bungalow which has been lovingly maintained by the current owners. The property offers light and airy accommodation, there is a generous reception hall leading to the sitting room with dual aspect windows opening to a conservatory/dining area overlooking the rear garden. There is then a modern fitted kitchen, two bedrooms and contemporary shower room. The property benefits from gas fired heating with radiators, UPVC double glazing and UPVC fascias and soffits.

The front driveway provides off road parking for a number of vehicles and a drive continues to the side of the property to the detached single garage which has power and light and an electronically operated door. The garden forms a particular feature where there is a raised deck stepping down to a neatly kept area of lawn with gravel borders for reduced maintenance. Also located in the garden is a shed and a log cabin style summer house with patio area, the summer house has been used as an office and has power and light available.
