Upon entering the property there is a spacious entrance hall which serves all principal rooms. There is an excellent living room which in turn leads via double doors to a large conservatory/garden room which overlooks the south facing rear garden. There is a kitchen where one will find a wall mounted gas boiler, and the kitchen has a side door leading to an area of garden behind the garage, where one will find

various outbuildings, including a greenhouse.

To the front of the property there are two double bedrooms, whilst there is also a good size third bedroom. The bathroom has the benefit of an additional shower.

Outside, to the front of the property there is a level area of garden, together with a good size driveway leading to a detached single garage. The secluded south facing rear garden is a notable feature of the property and does feature a pond and timber summer house.
