Offered to the market in fantastic condition is this three bedroom semi detached family home. Situated in a cul de sac within a short stroll of the town centre, and within a stones throw of local amenities, our vendors have lovingly created a wonderful place to live.

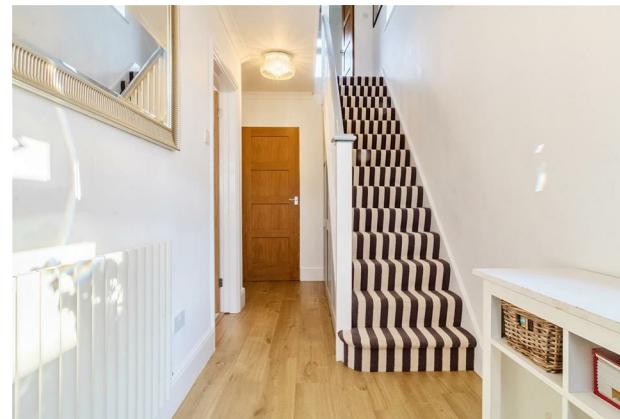

Upon arrival at the property you are greeted by an enclosed shingle driveway for at least two vehicles and side access to the rear garden . Stepping in through the front door, you arrive into a modern and stylish entrance hall with doors to a front aspect living room as well rear facing family room which opens onto an open plan fully fitted kitchen diner with doors leading out to the good size garden. A further door from the kitchen area opens up the useful utility room. In addition to the accommodation on the ground floor is useful storage and a cleverly hidden away WC.

Stairs from the entrance hallway lead to the first floor where you find a contemporary family bathroom with white suite and shower over the bath, a front aspect double bedroom with fitted wardrobes, a second rear aspect double bedroom with views over the garden and a good size single bedroom.

Externally to the rear is a lovely garden with patio area, lawn and a pathway leading to the rear of the garden which has a fantastic garden building which is currently split into a home office / gym and a storage area. The garden also wraps round to the side of the property with ample space for further garden buildings or potential extension subject to the usual planning rules.
