An opportunity to purchase a well-presented three-bedroom mid-terrace family home in the highly sought-after Morden Park area. This property features double-glazed windows, gas-fired central heating, a modern fitted galley-style kitchen, and off-street parking for two cars. It also boasts a private rear garden.

The location is ideal for families due to its proximity to excellent local schools, including Hatfield Mead and Aragon Primary, as well as King George's recreation fields just minutes away. Additionally, there are great transport links to Morden Underground Station.

These properties are well-suited for loft extensions, which now only require building regulations approval, not planning permission. Exclusive to Turners Morden, book early to avoid disappointment.
