Trigg Way, Bury St. Edmunds

Positioned on the ever popular Marham Park development on the West side of Bury St Edmunds is this beautifully presented three bedroom residence with off road parking for two/three cars on a driveway, two bathrooms and a wonderful open plan kitchen/dining room.

This immaculate family house is finished to a modern and contemporary style with plush fixtures and fittings that enhance the appeal. It has parking on a driveway to the side for two cars in

tandem, a third could be placed on the stoned frontage before the front door. There is a side gate to the back garden which reveals an attractive outside space which is mostly laid to lawn with a nicely sized patio seating area and timber built shed.

Internally the accommodation is bright and spacious with the ground floor consisting of an entrance hall, front aspect lounge, open plan kitchen / dining room, separate utility and cloakroom. The addition of a utility room is a huge benefit to the well sized

kitchen as it enables the introduction of further storage units and fitted appliances. The kitchen / dining room is particularly bright due to the double doors that lead out to the patio.

On the first floor there are three sensible bedrooms with the Master suite enjoying fitted wardrobes and its own ensuite shower room. Completing this wonderful property is that it can be found within easy access to the A14 for those looking to commute to Cambridge whilst also being walking distance from the new David Lloyd leisure centre! This attractive house is a must see!
