"Consistently providing outstanding service to our clients"

Asking Price £250,000

The Property

Nestled in the area of Tidings Hill, Halstead, this end terrace house presents an opportunity for those seeking a comfortable and convenient home. With two bedrooms, this property is ideal for small families, couples, or individuals looking for a retreat. Upon entering, you are welcomed into a reception room that offers a warm and inviting atmosphere, perfect for relaxation or entertaining guests. The layout is thoughtfully designed to maximise space and light, creating a homely feel throughout. Additionally, the property includes off-street parking, a valuable asset in today's busy world, allowing for easy access and peace of mind. Situated in a desirable location, this home is close to local amenities, schools, and parks, making it an excellent choice for those who appreciate community living. In summary, this end terrace house in Tidings Hill is a wonderful opportunity for anyone looking to settle in a neighbourhood while enjoying the comforts of modern living. Don't miss the chance to make this property your new home.

These sales particulars have been produced as a general guide only and we would draw to your attention that we have not carried out a detailed Survey of the property nor have we tested services, appliances or specific fittings. Whilst measurements and statements given within the details are provided in good faith, their accuracy should not be relied upon. If there are any points about which you may be uncertain or would like further clarification, we would suggest that you telephone this office and speak to our staff who will endeavour to assist you.

Whilst every attempt has been made to ensure the accuracy of the footprint contained here, measurements of doors, windows, rooms and cupboards are approximate and no responsibility is taken for any error, omission or mis-statement. This plan is for illustrative purposes only and should not be used as such by any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee is given as to their capability or efficiency can be given.
