5 Bournside Drive

Cheltenham, GL51 3AP

Asking Price £495,000

Hunters of Cheltenham are delighted to bring this exceptional four bedroom traditional bay fronted semi-detached family home to the sales market.

This fine home has been extended over the driveway to offer plenty of space for a growing family. Bournside Drive is a small exclusive cul-de-sac, just off the Warden Hill Road, behind Bournside Road. The present owners have resided here for many years and have thoroughly enjoyed the quite location with the benefit of being just 18 minutes walk from Montpellier and Montpellier Gardens (distances taken from Google maps).

This fine property offers the following accommodation:

Ground Floor: The entrance porch has been fashioned from the original architectural arched recess with a bespoke double-glazed window and door frame. The entrance hall welcomes you to a traditionally presented home. The formal front living room has a deep bay window. To the rear, the property has been opened out to a more modern kitchen/dining area which is highly desirable. Double doors lead to a conservatory.

First Floor: The main bedroom sits to the rear of the property alongside the bathroom. Bedrooms two and four (the original single bedroom three) sit to the front. The extension provides the third largest bedroom which also has a sub room off. This could be a study, computer room or a separate living room attached to bedroom three making it a stunning teenager's 'pad'.

Outside: The rear garden is reasonably low maintenance and enjoys a high degree of privacy. There is ample parking leading to a carport and garage beyond.

Summary: This lovely home is definitely not a one-trick-pony, its location enables the owners to enjoy the fruits of two desirable parts of Cheltenham being close to the town with its restaurants, shops and lifestyle and also being close to Hatherley with its enviable range of highly performing schools, GCHQ and quick access to the M5 Motorway.

This property comes highly recommended.
