Located just off the town centre is this excellent two double bedroom semi-detached great value home complete with private front, side and rear gardens and two side-by-side parking places.

This fabulous property has an impressive three-sided plot and would lend itself perfectly for extending and developing (subject to obtaining the relevant planning approval).

The property offers the following accommodation:

The extended porch is open plan to the entrance hall creating a large welcoming entrance to the property. The main living room is dual aspect with windows to the front and side elevations. The kitchen occupies the left-hand side of the property with a recessed utility area. On the first floor, there are two large double bedrooms, both forward facing with a separate wc and family bathroom at the rear.

Outside, the property continues to impress with a well landscaped rear garden, and additional side plot. The property is set back from the road behind a lawned fore-garden and privet hedge. The rear garden houses a large timber workshop which is included in the sale and a large, recessed parking space which can host two large cars side by side with comfort.

Bridge Street is a quiet backwater road on the edge of Cheltenham, within easy walking distance of a large Gymnasium and Elmfield Park. The lower High Street is just 12 minutes' walk from the property (taken from Googlemaps).

Summary: This is a perfect 'first-buy' being a good sized two double bedroomed freehold house for less than many leasehold flats! Landlords should also take a good look at this fine property; the yield should easily surpass 6% with no management/service charges.
