Hunters Estate Agents are delighted to present for sale, this outstanding, FRESHLY RENOVATED three-bedroom 1950's family home, set in a particularly large plot with an impressive rear garden.

This amazing property offers a brand-new fitted kitchen, a brand-new bathroom with an overhead 'rainwater' shower, all new carpets throughout, all walls and ceilings have been decorated, and all woodwork has been freshly painted throughout. This ground up restoration also provides new electrics, heating and double glazing.

The development of this property has been a labour of love by its current owners, and we are impressed by the level of attention to detail.

This fine home offers the following accommodation:

Ground Floor:

The covered entrance gives access to the entrance hall. Off the hall there is access to the kitchen. The living room and separate dining room both enjoy views across the rear garden. The kitchen looks out to the front enjoying a view of the day's activities outside.

First Floor:

Two large double bedrooms face the rear elevation with the family bathroom, and a generous single bedroom face the front.

Outside:

The property is set back from the road behind its own lawn fore-garden (many homeowners have converted this area into off road parking (subject to approval). At the rear, there is a very generous garden mainly laid to lawn with close panel fence boundaries.

Location:

The house is exceptionally well connected being set between two motorway junctions (10 and 11) and just a 30-minute walk to Cheltenham Spa rail station (taken from Google Maps). Ashlands Road has a well-regarded community feel and is one of the most requested roads in the area due to the properties having excellent gardens, and this property is no exception.

Summary:

New houses are always highly desirable due to the ease and convenience of moving in and just getting on with life. Rarely do we manage to find traditional houses that offer the same benefits. highly recommended.
