in detail

A stunning Two Bedroom, Two Bathroom property with accommodation arranged over Three Floors extending to approximately 1363 square feet, and set within the remarkable Church conversion that is Trinity, beautifully positioned in the heart of Old Bowdon and within The Downs Conservation Area. As such Altrincham town centre, its facilities, the Metrolink and the popular Market Quarter are on the doorstep.

This unique property and development has been imaginatively designed incorporating the design features of a Church within practical living spaces. As such this particular property enjoys such features as high vaulted ceilings, mezzanine floors and original Church windows.

Appointed to an excellent specification with stunning Kitchen and Bathroom Fittings, the property is perhaps a hybrid between an apartment and a town house with extensive and versatile accommodation which can either be accessed internally through the impressive Communal Hall and entrance areas or privately through French doors via the Courtyard Garden.

The main Ground Floor entrance floor is accessed off the Communal Hall and leads straight into a fantastic open plan Living Room with the stunning ecclesiastical windows which rise through the property.

A staircase from here leads down to the Garden level Lower Ground Floor day to day Living and Dining Room, which is in turn open plan to the stylish Breakfast Kitchen with a range of appliances and a peninsular unit breakfast bar, and a Utility Room off.

From the Living and Dining space there are two sets of French doors leading out to the Courtyard Garden and this can also provide the day to day access into the property.

Also positioned at this floor is the first of the two Double Bedrooms served by a stylish En Suite Shower Room.

The First Floor houses the Principal Bedroom with space large enough to provide a Dressing Area in addition to the En Suite Shower Room facilities.

Externally the Trinity development is approached by a Gated Entrance to a private parking area in which there are two reserved parking spaces serving the property. Trinity is surrounded by an attractively laid Communal Garden with number three particularly featuring its own private courtyard garden.

An exceptional high specification property of enormous charm and character in a wonderfully convenient location.
