in detail

A really interesting and enormously attractive Georgian Terraced Property with versatile accommodation arranged over Four Floors, extending to approximately 1850 square feet and positioned literally right in the heart of 'Old Bowdon' at the junction of Stamford Road and Richmond Road with the historic Griffin and Stamford Arms Public Houses on the doorstep and with aspects towards Bowdon Church.

The property is deceptive, not only in its accommodation but also in its plot since it has a shared vehicle access to the rear of the property providing off street parking for at least two vehicles in addition to a Garage as well as Courtyard Garden Areas.

The accommodation itself provides a Lounge and Dining Kitchen to the Ground Floor, a further Reception Room, Laundry Room, Utility and WC to the Lower Ground Floor Converted Cellars and there are Four Bedrooms over the Two Upper Floors served by a spacious Family Bathroom.

The property has attractive character features retained to include high cornice ceilings and attractive multi-paned sash windows and is well-maintained and presented throughout but also offers the opportunity for the incoming purchaser to update and improve to their own specification.

A really charming and unique property in a wonderful location.

Externally, the Garden to the front of the property is stone paved with steps to the front door.

To the rear, the property is accessed via West Road. There is a remote controlled gated shared entrance serving this and just one other property with a right-of-way access across the neighbours parking area to the parking area serving The Ridge. This is gravelled with a stone paved pathway and brick wall enclosure with

parking for at least two vehicles, if not three and in turn leads to the Detached brick-built Garage.

A path leads down the side of the Garage to a walled Courtyard Garden with stocked borders and paving and useful Garden Store. A stone paved pathway leads to the further Courtyard which is also stone paved and accessed via the Dining Kitchen.

This completes a really interesting property in a fabulous location.
