in detail

Birtles Hall is a splendid Grade II listed country house set at the head of a long driveway which meanders through parkland.

The property stands within rural splendour on the undulating lower southern slopes of ‘The Edge’.

Apart from wandering around the 10 acres of formal gardens and woodland of the hall there are wonderful walks on footpaths and bridleways in the immediate vicinity and the Peak District National Park is close by.

Chelford Court is a more like a 'House within a House' with 3251 square foot of living space and is positioned on the ground and lower ground floors of Birtles Hall with east facing rooms and enjoys direct access to private patio areas and the beautiful Communal Grounds beyond.

The grand Reception Hall and cantilevered stone staircase make an impressive entrance area and may be used for private entertaining by prior arrangement with other residents.

A hardwood door opens to the Entrance Hall off which is the stunning 700 square foot Drawing Room. Being one of the original principal rooms of the hall, it has a dual aspect and features five huge sash windows with glorious undiluted views and a window seat from which to enjoy them. There is an ornate fireplace with a marble inner providing a fabulous central feature.

A door leads through to the impressive Dining Room, also accessed via the hall, with wood flooring, high ceilings and sash windows with wonderful views, creating a great space for entertaining and dining.

The Dining Room is open plan to the hand painted Kitchen, with integrated appliances, and a granite worktop. The Kitchen is divided from the Dining Room by way of a partition wall. We envisage that an incoming buyer would remove this partition wall and create what would be a magnificent 600 square foot Live In Dining Kitchen.

The Bedroom accommodation is positioned off the Lower Ground Floor Hall.

There are Three generously proportioned Double Bedrooms.

The Principal Bedroom and En Suite facilities extends to some 500 square feet, and enjoys a delightful garden aspect with French doors leading onto the garden. It has custom built fitted furniture and benefits from a Dressing Area and an En Suite Bathroom.

Bedrooms Two and Three also enjoy garden access and aspects and have fitted furniture.

Bedroom Two has an En Suite Shower and Bedroom Three is currently fitted as a comprehensive Home Study.

Completing the Lower Ground Floor accommodation is a Guest WC, Utility Room and a large Storage Room.

There is a Courtyard Parking area, Garage block and car Parking Bays to the rear of the hall, located beyond a walled side garden with a walkway to the front.

Owners of the apartments have exclusive use of the formal gardens and shared use of the woodland with delightful walks and rock gardens with a stream running down the valley. To the front is a croquet lawn and a ha-ha with splendid views over the parkland.
